Executive Assistant to DCI

19 October 1951

Director of Training

Weekly Summary Report

1. Under training agreements recently completed with the military services, CIA separated its first group of selected civilian employees for enlistment on 16 October in the Army and Air Force. These young men will be given basic, OCS, commissions as Second Lieutenants, and in some instances further appropriate military training. They will then be ordered to CIA in an active duty military status and so remain until their active duty obligation is discharged and they revert to civilian status as Agency employees.

2. The twenty-four students comprising the second class of the CIA Intelligence School have come aboard and are under preliminary processing. The School convenes officially Monday, 22 October, course to run twelve weeks.

3. At the request of OSI a six-week course convenes on 22 October to train prospective overseas personnel. The course comprises tutoring [REDACTED] and instruction in interrogation, in geography of Eastern Europe, in report writing and in overseas behavior.

4. Student manual, "Soviet Light Infantry Weapons", has been completed and is in process of reproduction.

25X1A

6. During period 4-16 October AD/TRC approved sixteen requests for language training. One each - Bulgarian, Persian, Russian, Slovenian, Turkish, Dutch, German; two each - Italian, Spanish, Mandarin; three French. Of these, five were for overseas instruction: two Spanish, one each - Persian, Italian, Slovenian.
